## High School Students To Register

Freshmen entering Tamalpais High School this fall, may register at the Marin City school building on Wednesday, August 30, from 1 p.m. through the afternoon.

Principal Willard H. Van Dyke and E. E. Wood, former principal, will take the registrations and assist the young students in outlining their course of studies.

Parents are urged to accompany their children, so the study program will be satisfactory to all.

"Parents who are planning a college education or special trade for their children, should be sure to be present at the interview to assure an adequate preparatory program," said the school authorities.

Van Dyke and Woods will be at the Central School in Sausalito during the morning of August 30, to register Sausalito students.

From 50 to 70 freshmen are expected to enroll from Marin City. Opening day at the high school is September 11.

## Council to Handle Test Rent Case

At a special meeting of the Marin City Council last Wednesday evening, councilmen unanimously voted to take over the case of the overdue rent on A15, Apt. 116 and handle it as a test case for the best interests of the community.

The case was submitted to council by W. C. Billingsley, tenant of the apartment, who showed that his rent had been refused because "\$1.50 paid in protest" was written on the check.

The protest was in accordance with a decision made at the rent mass meeting here, with regional and local housing officials.

Council has gone on record to use the case as a protest against discourtesy from the housing authority staff.

A letter from council to the housing authority and housing commission, demanding an apology for the general lack of courtesy shown by the staff, was ordered by members.

A letter of apology from Clarence Law on the matter, was discounted because complete liability for the error in refusing Billingsley's and other tenants' rent on the protest grounds, was given to the office clerk.

Added assurance that negotiations with the regional office on the rent raise in the A apartments here will take place soon, was received this week from Omer Mills, regional assistant director of management. Mills sent a letter to council reporting that arbitration has been completed in Vallejo, and the arbitration board will be in Marin City sometime next week.

## Honor Roll

The name of Pvt. Richard Carlton Howe joined the list for inscription on Marin City's Honor Roll. He is the husband of Mrs. Howe, House 650.

## Conference

A housing authority project services conference was held at the Marin City school building yesterday.

## Ox-Cart Train on Saipan

Marine Corps Photo  
After the Marines established their beachhead they found oxen and carts that the Jap defenders had been using to haul their supplies. Always able to adapt themselves to any situation anywhere the Marines lost no time in harnessing the beasts to the carts and let them do the heavy hauling. Back their attacks with War Bonds. ## Two More Loyal Blood Donors Join Red Cross Gallon Club

Two Marin City residents, Francis B. Batterman and Mrs. Helen Del Tredic, joined the gallon club at the August 11 visit of the Red Cross Mobile Unit to the Community House. Donors here contributed 149 pints of blood on that day.

James F. Babcock, Civilian Defense Co-ordinator, gave his ninth pint of blood to the life-saving bank that day.

Seventh time donors were Mrs. Hattie Slinkard, Charles Buck, Mrs. Dorothy J. Smith and Thomas M. McNeeley.

## Local Ladies Conserve Food At Cannery

Glowing reports of the work being done at the San Rafael School Community Cannery are being given now by the women who are taking advantage of its services.

Ladies from here who are canning the bumper crops of fresh fruits and vegetables include Mesdames George Hinnenkamp, Fred Phillips, Louis Bright, Ray Hobson and J. B. Wilker.

Mrs. Hinnenkamp said she put up 10 No. 2 1/2 cans of pears at a cost of 13 cents per can, and says the other canned food can be processed there for a like figure. "And no points," emphasizes Mrs. Hinnenkamp.

Following one evening 2-hour class, the ladies go directly to the cannery where they prepare the fruit and vegetables, either purchased on the spot or brought from home. The cannery supervisor does the actual processing and testing.

So far, the ladies have put up green beans, peaches, pears and prunes and will continue canning as products come into season.

## New Worker

Miss Virginia Berry is a recent addition to the USO staff here. Miss Berry will work in Marin City for two months before she leaves for New York to take the USO orientation course.

Giving for the sixth time were Herbert L. Flem, Mrs. Florence L. Richards, Mrs. Vina Bowman and Mrs. Alice A. James.

The five residents who donated for the fifth time are Leo Hoppe, Mrs. Margaret E. Abbott, Mrs. Stella E. Darr, Herbert Wolff, Frank L. Mack.

Fourth time givers were Alvin C. Pond, Don W. Beeson, John W. Robertson, Mrs. Florence C. Ward, Mrs. Levitha Vance and Mrs. Lois M. Hart.

Three time donors include John B. Wilker, Mrs. Mary H. Pond, Mrs. Lottie Shurtz and Mrs. Zola N. Patterson.

In the second time donor group, there are Mrs. Phyllis E. Needham, Mrs. Lucille B. Aldrich, Mrs. Minnie P. Flem, Mrs. Helga S. Dakken and Mrs. Inga Moen.

The first time donors were Everett L. White, Mrs. Aurelia S. Maggard, James F. Doyle, Mrs. Lilas M. Troutman, Miss Edith E. Vance, Archie A. Young, James H. Ewing, Donald L. McCroskey and Mrs. Betty J. Miller.

The next scheduled visit of the Mobile Unit in Marin City is Friday, September 15.

## Day Camp for Children Means Vacation for Mother

With only two more camping days left for Marin City children, the Recreation Department this week urges local boys and girls to attend Camp Taylor before it closes for the season.

Thursday, August 24 and 31 are the final dates for the young campers.

During a successful summer session, hundreds of Marin City boys and girls between the ages of 6 and 15 have enjoyed the glorious sunshine and holiday activities at the camp in the Redwood Forest.

The Thursday camping day is also a vacation for mothers,

## Put Out Paper For Salvage Collection Here This Sunday

Put out your salvaged newspapers and magazines for the collection drive this Sunday, August 27.

Residents are urged to tie the newspapers or magazines in piles, approximately six inches high. As the collection is entirely manned by volunteer workers, this co-operation from residents is vital. Another help which can

be given during salvage day is placing the stacks of salvage on the edge of main roads to facilitate the pickup.

This is the second drive made here recently. The last one netted five tons of paper for the nation's salvage campaign.

The drive is sponsored by the Marin City Council, which urges every resident to remember, "Paper is ammunition."

Nearly 10 tons of paper and magazine salvage are expected from this Sunday's drive, and every family here is being requested to get its bundles out and not let our soldiers and sailors down.

More volunteers will be needed for the collection this Sunday. Patriotic citizens are asked to come to the old school building beside the Fire Station at 12 noon, when the men and trucks will assemble for the afternoon's work.

## Come to Town Council Meeting This Sunday

Marin City Council meets this Sunday at 8 p.m. in the lounge room of the Community House.

Every one in Marin City is invited to attend, and to participate in the Good of Marin Hour, when the meeting is thrown open to comment and advice from the audience.

Newly-elected councilmen will be seated at this August 27 meeting.

## Republicans to Start Campaign To Register

The first meeting of Marin City Republicans was held last Wednesday night at the Community House to discuss organization plans for the coming campaign.

Complete precinct coverage will be developed to encourage eligible voters to register by September 28 and vote on election day, said Dan Allen, member of the Marin County Republican Central Committee.

Those present were Mrs. Myrtle Ekman, L. Brown, R. E. Holmes, F. D. Tuttle, Jess Draper, Tom Roberts, Norman Campbell, Mr. and Mrs. Earl James and Dan Allen.

## Smith Resigns Council Job to Work in Campaign

Michael B. Smith, long-time councilman from District C, resigned from the Marin City Council at a special meeting held here last Wednesday evening.

Smith declared he is anxious to get into the Democratic campaign for the re-election of President Roosevelt.

"Because I wish to enter the coming national campaign as a private citizen, and because I will no longer be able to devote the time which a job on the council demands, I regretfully resign," he said.

## Tom Roberts Re-elected

Tom Roberts was re-elected councilman from District C, in the only contest at last Wednesday's Marin City Council election. Dan Allen was the defeated candidate.

Other councilmen returned, without opposition, were Alex Murphy, W. C. Billingsley, Ed Anderson, Earl James and Jess Berry.

A light vote was cast.

## Roosevelt For President Club To Organize

A Marin City Roosevelt For President Club will be organized at the Community House next Thursday, August 31, at 8 p.m., it was announced this week.

The meeting will be held under the auspices of the Marin County Democratic Committee, and all Marin City residents are invited to attend.

Principal speaker at the meeting will be Samuel W. Gardiner, well known Marin County attorney and delegate to the recent national convention of the Democratic party.

The meeting announced for last Thursday was cancelled, because Mr. Gardiner was unable to attend.

## Two Local Men On Star Team

The Marin County all-star game played last Sunday at Tamalpais field was won by the team from the southern part of the county, with the score 2 to 1.

Playing on the winning side from Marin City were Conrad Knudsen, second base, and Tex McAnnely, first base.

The all-stars were chosen from town teams by directors of the Marin County Junior League.

## Local Sea Scouts Will Participate in Regatta

Sea Scouts from the three Marin Council Sea Scout Ships in San Rafael, Mill Valley and Marin City will attend the 10th Annual Sea Scout Regatta of the 12th western region September 2 to 4 at Stockton, Calif.

The Sea Scouts are taking advantage of the offer of the 12th Naval District which is furnishing the Delta King, Sacramento river boat, to take approximately 500 Sea Scouts and 100 leaders from the San Francisco Bay Area to Stockton and return. The boat trip will start Friday evening, September 1st, arriving early Saturday morning in Stockton. Return trip will be made on Monday, September 4th.

The three ships will take part in the land exercises in the city of Stockton's Lous Park on the banks of the channel just below the city's deep water port. All camping will be on lawns within a short distance of the anchorage area.

Member unions of the American Federation of Labor, San

Joaquin Central Labor and Building Trades Councils are underwriting the entire cost of the Regatta, estimated at \$1,500.

Sea Scouts from Marin will be led by their Skippers Jack Sward, of Ship 20, San Rafael; H. B. Richardson, Ship 22, Mill Valley, and A. W. Walenta, Ship 21, of Marin City, and Commodore Leighton Robinson and Regional Vice Commodore Thoas P. Boyd.

## Cubs Chalk Up Another Win

The Marin City Cubs last Sunday beat the Coca Cola Juniors, 8 to 2, in an exciting 7-inning game.

Williams was on the mound for the Cubs with Daugherty behind the plate. Daugherty hit 3 for 4 and boosted his batting average.

The only extra base hit was by Murray, with a double down the left field foul line.

Estes made two nice catches in left field with the last one ending in a triple play with Foote making two other outs.

## Mill Valley Team Trounces Local Basketball Boys

Paced by S. Stone with 14 points, Mill Valley gained their third win of the brief summer basketball league Thursday at the expense of the lowly Marin City Bulldogs 30-19. This win places Mill Valley in a tie for first place with Locust (Mill Valley).

Richards scored 7 points for the Bulldogs.

## Vacation

James San Jule, The Marin Citizen editor, with his wife and young son, is vacationing at Napa this week.

While there, they will help harvest the prune crop on the ranch of Mrs. San Jule's parents.

## Card of Thanks

We wish to thank all the friends who were so kind to Mrs. Carl Lundquist during her sorrow at the death of her husband.

Mrs. Martin Elton  
Mrs. Iver Elton  
Mr. and Mrs. John Pedigo.

## Naval Veteran Visits Nelsons

Last Friday the J. E. Nelsons of House 182 had a surprise visit from their nephew, Corellan Kelley, who is just back from 19 months in the South Pacific war zone.

Kelley is a veteran of four naval battles, not counting the Pearl Harbor attack when he escaped injury on the damaged Battleship "Tennessee." He left Marin City Saturday to spend a 30-day furlough with his family at Long Beach.

Also visitors at the Nelsons were two Moorhead, Minnesota teachers.

They were Miss Cleone Kelley of Litchville, N. D., and Miss Dorothy Thompson of Northwood, N. D., who spent Tuesday and Wednesday at the Nelson home.

## Self-Help Moving Service Offered

A new baggage transfer service "to help people who wish to help themselves", has been inaugurated in Marin City by D. Ives of A39, Apt. 308.

Ives has a broken knee, which prevents his loading and unloading, but he drives his own pickup truck and will help packing. He has a license from the State and city of Sausalito.

Business hours of the new enterprise are from 11 a.m. to 6:30 p.m.

## Another Tanker Launching Local Ceremony Tuesday

Marinship tanker, S. S. Elk Hills, second of a fleet of 32 tanker ships named for California's oilfields, was launched at Marinship at 4:30 p.m. on Tuesday, August 22.

The Elk Hills region, to which tribute was paid at the launching, is located in western Kern County near Taft, and is the largest proven Naval Petroleum Reserve. It is under jurisdiction of the U. S. Navy, who have recently announced the drilling of new wells on the reserve in connection with the Navy's program to expand production to aid in relieving the present oil shortage.

Civic and business leaders of the Elk Hills area attending the launching included: County Supervisor A. W. Noon, Taft; Mayor James A. Wilson, Taft; Commander Harry Stolz, USN, Taft, and Emory G. Hoffman, manager of Kern County

Chamber of Commerce.

Sponsor for the S. S. Elk Hills was Mrs. S. T. Davidson, wife of the superintendent of plant division. Marinship's plant division handles the prefabrication of the large steel sections that have helped to build these 8,250 horsepower turbo-electric tankers faster and more efficiently. Miss Patricia Jean Davidson, daughter of Mr. and Mrs. Davidson, was maid of honor at the launching.

Keel for the S. S. Elk Hills was laid on June 29, and after launching, several weeks of outfitting will be necessary to prepare the ship for the part she is to take in carrying oil to the fighting fronts. The Elk Hills is over 525 feet long, with a capacity of 141,000 barrels. It is a permanent-design ship, built for the U. S. Maritime Commission by Marinship Corporation.

## East Needs Workers to Combat Polio

In response to an appeal from the National Foundation for Infantile Paralysis, the State Department of Public Health is recruiting physiotherapists for work in eastern states where outbreaks of poliomyelitis are occurring.

Registered physiotherapists who are trained in the Kenny method of treatment are asked to get in touch with Dr. Jessie Bierman at the state department's San Francisco office, 760 Market Street. Employment will be with the National Foundation for Infantile Paralysis which also will pay travel to the stricken states. They now include North Carolina, Kentucky, New York and Pennsylvania.

Dr. Wilton L. Halverson, state director of public health, announces that California is returning to the Foundation for use in the east, eight respirators which the Foundation lent the state during the outbreak here last summer. At that time physiotherapists were recruited in the east and sent to California by the Foundation.

"California deeply appreciates the assistance which was given during last summer's epidemic here. We are eager to do anything we can to assist other states and the Foundation to combat a similar situation this year in the east," Dr. Halverson said.

### Sightseeing

Rotarians from Mill Valley, San Rafael and San Anselmo got a close-up of Marinship at night on Tuesday, August 22, when members of these three clubs will make a tour of the sausalito shipyard.

### Director Away

Mrs. Marie Larson, USO director, was on vacation this week. She plans to spend part of her free days at Calistoga.

On Monday, she will be back to work at her busy office here.

Thaine Billingsley, of Marysville, Kansas, nephew of Mr. and Mrs. W. C. Billingsley, was a surprise visitor in Marin City last week. He is with the Army Medical Corps, now stationed at Camp Beale, near Marysville, Calif.

### MEAT BUYING UNDER PRICE CONTROL

The Office of Economic Stabilization has ruled that meat grading and marking are essential to the control of meat prices. The Office of Price Administration uses already established U.S. grades in setting ceiling prices on meat.

Shoppers should know the provisions of the meat price regulation which protect them against being charged over ceiling prices for meat. These are three: the requirement for uniform wholesale and retail cuts throughout the United States, the limitation on the amount of fat that may be left on retail cuts, and the grade specifications and marking. They should learn to use as much of this knowledge as is practicable when they shop.

### RULES FOR CUTTING

The cutting of meat, both wholesale and retail, has customarily varied greatly in different parts of the country. Individual butchers made still other variations. To make ceiling prices and ration-point values apply fairly, it was necessary to standardize cuts. Wholesale cutting of pork was already fairly well standardized so the OPA, in general, adopted the industry standards. Retail pork cuts are limited to those listed on the official ceiling-price list.

### TRIMMING

Specifications for retail cuts include a limitation on the amount of fat that may be left on. For most beef cuts, not more than one inch of fat may be left on. This is true for the rump, round, loin, brisket and chuck cuts. All membrane and fat must be removed from flank steak and all loose fat from the plate. Loin lamb and mutton chops must not have more than one-half inch of fat

left on either side. Not more than one and one-fourth inches of fat may be left on any portion of ham from which the skin has been removed. Skinned pork shoulder must not have more than three-fourths inch of fat left on. Pork loins must have all excess fat over the tenderloin removed and the fat on the back must not exceed one-half inch. Not more than one-half inch of fat may be left on all portions of Boston butt.

### GRADING AND MARKING

The government requires that all carcasses and wholesale cuts of beef, veal, lamb and mutton must be graded and marked with the grade. There are five official grades for beef and veal, four for lamb. The official grades for beef, veal and lamb commonly found in the retail market and the mark for each grade as you

will find it stamped on the meat are: AA or U.S. choice or choice; A or U.S. good or good; B or U.S. commercial or commercial; C or U.S. Utility or utility (beef and veal); C or U.S. cull or cull (lamb).

It is illegal for any store to have in its possession any meat, except pork, which does not have the grade name or mark stamped on each wholesale cut. Pork is not graded.

Breeding and feeding (and in beef, the sex of the animal) are responsible for the grade of meat produced. Official grading specifications take into account the blockiness and compactness of the carcass and wholesale cuts, the thickness of the flesh, the extend, character, and color of both the exterior and the interior fat. The

presence of streaks of fat through the lean, called marbling, the color and character of the cut surface of the lean, and the character of the bones.

OPA regulations provide that displays of meat by retailers must show the grade. Ceiling prices for meat are set for standardized retail cuts and for each grade where grading is required. These are listed on official price lists. The retailer of meat is required to post these lists near the places where he sells the different kinds of meat and in a place where they can be easily read.

Mr. and Mrs. Joe Pless and daughter, Norma, of San Francisco, visited Mr. and Mrs. Leo Davis on Sunday.

## VICS Assemble More Money For Good Neighbor Fund

Proceeds of the rummage sale held in Marin City last week by the Volunteers in Community Service were \$87.50, reported Mrs. W. C. Billingsley, sale chairman, at the VICS meeting here last Tuesday.

Assisting at the day of the sale were Mesdames Mary Meyers, Milton Percy, Dale Dinsmore, Earl James, Harrison Abbott, Philip Strombom, Paul Behrendt, W. C. Billingsley and Lynn Draper, Geraldine Percy and Norma Spigno.

Mrs. Behrendt, sewing chairman, reported that she has been issued a new consignment of khaki bags.

VICS have already turned in over 400 completed bags to the Red Cross chapter in Sausalito. Sewing days are at the school building Monday from 3 to 6 and Friday from 6 to 9 p.m.

A pot luck supper is being planned for September 10, preceding the council meeting, with everyone in Marin City invited. Dinner will be at 6 p.m., with guests asked to bring along hot dish, salad or dessert. Hostesses will be Mrs. James San Jule and Mrs. Michael Smith.

VICS voted to give the Women's Church Auxiliary \$5 for the next three months to

aid in their expenditures at the Sausalito Servicemen's Club.

A motion was made and passed that a committee of three members be empowered to expend up to \$5 from the Good Neighbor fund, without vote of the members.

The next meeting of VICS is September 12, when an election of new officers for the coming six months will be held.

## Craft Club Prepares for Christmas

Anticipating Christmas shortages, craft club members will immediately start work on Christmas gifts and cards. This activity was so successful last year, the Recreation Department announces an earlier start to assure adequate time to complete the presents.

In preparation for the school semester soon to open, the club will resume operation on the following schedule:

Monday: 3:00 to 5:00 p.m. (general crafts).

Tuesday: 10:00 to 12:00 a.m.

Wednesday: 3:00 to 5:00 p.m.

Thursday: 10:00 to 12:00 a.m.

Club membership is open to all children between 6 and 15 years of age. Membership dues are 5 cents per week. Meetings are held in Building No. 398, on the hill to the rear of the Community Center.

## Jackie Riskie Celebrates His Birthday

Jackie Riskie played host to a group of friends at his eighth birthday party last week. The affair was given by his mother, Mrs. Leona Riskie.

Out-of-town guests were Jean Pitt of Bolinas, and Barbara Blackburn of San Francisco.

The neighborhood friends who attended were: Gwennie Santos, Geppy Thomas, Shirley Hain, Jerry Lee Giles, James Stembridge, Darlene Jasters, Sherry Strongback, Donald and Gary Shatteck.

Following games, ice cream and birthday cake were served, with little baskets of candy distributed as favors.

## Women Can Learn Modern Baby Care

The most modern methods of caring for new babies and their mothers will be offered in a series of Red Cross classes starting here on September 5.

The course will instruct both expectant mothers and those who plan to care for them, exactly how it should be done. Miss Elizabeth Sargent, nurse, who has instructed several of the series here during the last year, will again be the teacher.

The up-to-date tutoring will be held at the Community House from 10 to 11:30 a.m., and transportation will be provided for pregnant women.

Classes are titled: "Why and What Pre-Natal Care?" "Mothers and Babies' Clothes and Equipment," "Baby Bath and Baby Up to One Year," "Nutrition" and "The Hygiene of Pregnancy."

# The Week at Our Marin County Theatres

AS ONE of the first, possibly the first, young couple to return from active service on the fighting fronts, Hollywood's Director Leslie Fenton and his actress wife, Ann Dvorak, are providing a pattern for thousands of other couples who will shortly be returning to pick up the threads of their personal and professional lives which they dropped when they heard the call to duty.

Fenton and his wife departed for England early in 1939. He served as commander of a British PT boat patrolling the English channel and waters off the coast of Scotland, was wounded in the now historic commando raid on the port of St. Nazaire. He holds the distinguished service cross, presented to him by King George personally at Buckingham Palace.

When Fenton departed for England he was directing at M-G-M. He had just finished production on "Arouse and Beware," starring Wallace Beery. His wife was playing in a Warner's picture. She could not accompany him, but followed on the next boat. She made arrangements for relatives to take over the running and management of their prosperous 40-acre San Fernando valley walnut ranch, which they purchased shortly after their marriage in 1931. On arriving in England she enlisted in the M. T. C., Britain's mechanized transport corps, and drove an ambulance under bomb fire during the Nazi blitz.

## Good Job Well Done

When Fenton was invalidated out of the service and ordered home, Ann, her patriotic duty ended, accompanied him as nurse.

Producer Lester Cowan was about to film the Broadway stage success, "Tomorrow the World," with Fredric March and Betty Field. A story Fenton that phase of the war effort ton understood and warmed to. Fenton signed to direct this production.

Ann, her home in order and her garden growing, signed with Republic and is currently doing a starring role in "Flame of the Barbary Coast."

## Full Appreciation

"It's almost like the war's over, coming back here," they say, "after living in England, and we don't mean this as any criticism, merely observation. The war is so close in England. For a long time it was right overhead and at your front door. No one knew what would happen next."

When Fenton first came to the screen from the legitimate stage, he played the neurotic young soldier who went berserk in "What Price Glory." From this he gravitated into sinister roles through the gangster era, which began with "Public Enemy No. 1," with James Cagney; "The Hatchet Man," with Edward G. Robinson, and similar underworld films.

He was given a part in "The Strange Case of Molly Louvain," opposite Ann Dvorak, whom he'd never met. They fell in love, and in 1931 they were married.

## Change of Character

He and Ann went to Europe on their honeymoon. There he played romantic roles for a year in European productions in London and Berlin.

When Fenton returned from this trip he decided to forsake acting and try directing. Ann meanwhile went back to Warner's and resumed her contract. Fenton retired to the obscur-

ity of a shorts director at M-G-M and after a two-year apprenticeship was given a contract to direct features. "Stronger Than Desire," with Walter Pidgeon, and "The Golden Fleece," with Lew Ayres, were among the productions he made.

He'll continue directing and Ann will continue acting.

"If any of the pictures we make cheer up the troops or provide entertainment for the people actually in the war effort we feel we're doing something."

## A Promise Is To Be Kept

C. B. De Mille's next, which is "Rurales," started 30 years ago. In 1915 Pancho Villa, who loved Mexico, and wanted us to do likewise, tried to get C. B. to tell the story on the screen.

He offered to meet C. B. at the border and remain his personal bodyguard. C. B. to name his own salary. "Thanks for the promise of safety," wrote C. B. "Dead I can do you no good; alive I can make you a good picture." But Villa lost out.

A WAC has been selected as Sergeant-at-Arms for the coming year at the NCO Club at Fort Douglas, Utah.

1. The applicant must prove to the Board that he has a car which entitles him to apply for an "A" ration.
  2. There must be proof that the car is currently registered and in use.
  3. Proof that there is not and has not been an "A" card renewal application before the Ration Board.
- Local War Price and Rationing Boards will begin to issue renewal "A" gasoline rations Friday, August 25.

## Apology Demanded

From time to time Marin City people have complained of a general lack of courtesy on the part of the staff of the rental office—sometimes a lack of common sense.

This was shown most clearly recently, when one of the employees, with more whimsy than good judgment, saw fit to refuse a check which had been tendered in payment for rent—simply because the employee didn't like the manner in which the check was made out.

The tenant had simply noted on the check that the amount was being made under protest, in compliance with an agreement made with local and regional housing officials at a rent raise mass meeting here.

This incident has been taken up by the Marin City Council. It will be settled in a satisfactory manner.

The point we wish to make is this: we feel that a simple apology is not enough. What we want is definite assurance that the authorities of this project will instruct every staff worker that tenants are people, too. As such, they are entitled to every courtesy which staff members expect for themselves.

## Our Doctors

### The Medical Center Staff In Wartime Review

By NURSE CHICK

Marin City is especially proud of the doctors on its staff at the Medical Center. It is proud for two good reasons.

First, because each one of the staff physicians has voiced the desire to be "over there", but for various and important reasons are unable to, and are concentrating their efforts to the great task of keeping the men and women of Marinship healthy and on the job.

Secondly, we are proud of the outstanding education and wide experience of each of these staff members. Four out of five doctors on the staff were educated both here and in Europe, holding degrees of several countries.

#### DR. MORRIS

We have Dr. Myrl Morris, our pediatrician, who graduated from the University of California in 1913 with Bachelor's degree and in 1916 with a Doctor's degree. Then she went into private practice in pediatrics in San Francisco from 1918 to 1940. This was subsequent to two years residence at Children's Hospital and assistant to the famous Dr. Langley Porter for five years.

Her later career is as follows:

On the staff at Children's Hospital, 1918 to 1930;

Acting Chief of pediatrics at Children's Hospital, 1930-32.

Staff of University of California, 1930-40;

Assistant Clinical Professor, 1938-40;

land and Vienna, 1924-25;

Post-graduate work in Eng-

Post-graduate work, George Washington University (St. Louis) 1920;

Member of Academy of Pediatrics, 1928- to present;

Vice President of County Medical Society, 1935;

Staff of Children's Agency, 1929 to now.

Dr. Morris thought her very active career at an end when she retired in 1942. But when war was declared she willingly offered her services to the Marin Community. We feel fortunate at having her medical services in C. P. S.

**HEALTH MISSION**—A triumvirate of three officials went to Washington, D. C., this week to iron out a contract which will guarantee 24-hour medical service here.

**FRUIT PICKERS**—The first car load of boys left from the USO cottage this week to pick

#### DR. KOLLMAN

Doctor Walter Kollman is also contributing his tireless efforts to the residents of Marin City. His gentle manner and conscientious endeavor have endeared him to many patients at the Medical Center.

He graduated from the University of Vienna in 1928, after which he did internal medicine at the University of Vienna for two and a half years at the Second Medical Clinic there. His rotating residence at the Viennese General Hospital gave him wide and varied knowledge and experience in that line. He then did private practice in Vienna for four years.

When he came to the United States in 1940, he interned at Franklin Hospital up to 1941. Was then an assistant resident at St. Joseph's Hospital, 1942-1943.

He has been in private practice in San Francisco since that time. He joined the C.P.S. staff in 1943 and hopes to be with us until the day of Victory.

#### DR. McNULTY

Then we have Dr. Albert McNulty, who is retired as a Lt. Commander of World War I. He, too, has a wide and varied medical career, studying in Paris and London, with 17 years of private practice in San Francisco.

He graduated from Cooper Medical College (now the famous Stanford University). He was resident-surgeon of French Hospital from 1905 to 1909. He was appointed Chief Urological surgeon of that hospital, and worked in that capacity for 23 years. He is our authority on urological medicine, because of his outstanding experience in that field.

(Continued Next Week)

prunes at Calistoga.

**RODENT CONTROL**—An appeal was made this week for residents' cooperation in curbing the rat menace in Marin City. If they will notify the rent office, an exterminator will be dispatched to kill them. (This holds true in August, 1944, too.)

## Letters to The Editor

DEAR EDITOR,

I read the letters of complaint against the Marin City market and grocery. I have talked the situation over with my neighbors and they feel as I do, that the criticism is unjust and unfair.

We came in here from Arizona February 15. The first place we went was the market. We were amazed at the prices and variety of foodstuffs, also the courtesy and friendliness of a bunch of over-worked clerks.

Since that time I have shopped around in Sausalito, San Rafael, Mill Valley and I always come back here because it costs me less and I like to shop down here.

I buy groceries for a family of six. I also work six days a week and get down to the store around 5:30, just as the big crowd hits the store. I can honestly say I've never seen a clerk down there yet that didn't have a smile and a courteous "thank you" for the customers.

I wonder if Mrs. Hobson in House 134 has ever stood behind a counter during peacetime and let a contrary customer hold up a line for 15 minutes while she hunted for a few pennies. I have!

Have you people ever stopped to think what we would do if there were no markets in Marin City? There are markets in Sausalito which will grind steaks for you, but the steak is higher. Consider the number of markets in Sausalito to Marin City, also the number of customers per each.

I wouldn't have the nerve to ask a clerk to grind a special steak for me when the meat case had ground meat in it. It is clean and makes good meat balls because I've eaten it.

It all simmers down to one question—why are we in Marin City? We are here for the duration so why not settle down and quit complaining?

As for the courtesy of the clerks, they wait on you as fast as they can because there is someone back of you that wants to be waited on also. If they took time to pat you on the shoulder and tell you how pretty you were, some working man would probably go without dinner.

We have read the complaints, now let's hear from some more customers who feel as I do—that we are very lucky to have a market down here.

The next time you go shopping, all of you, have your mind made up what you want. Don't haggle with them, and try a smile instead of a frown. Then you will get a smile in return. Don't expect a long chat over the counter because if they wanted to chat they wouldn't be down there working.

Here's to less complaints and more cooperation from a perfectly satisfied customer and an ex-grocery clerk.

MRS. LOUELLA BYNUM  
House 681.

(Ed. Note:—Many of Mrs. Bynum's points are well taken. However, her estimation of cleanliness and prices is contrary to findings of the Marin County Health Dept., and the OPA.)

DEAR EDITOR:

The smaller children in Marin City would like a "399" Club of their own, so they could have fun, too.

We two girls thought of this, and we would like to be in charge of the club. We would like to clean the place also.

Do you think we could have a building for our club?

LOIS ROSER,  
JACKIE SPLEAN.

(Ed. Note:—We suggest that the girls get in touch with the Recreation Department, which sponsored the teener club. See Mrs. Martha Roberts at Bldg. 398.)
